

## WFRA AGM-April 27, 2018

### Director and Coordinator Reports

**President's Report (Kelli Pace):** It was another great season for the WFRA. We have a great deal to be proud of. Our numbers are steady, our programs are strong and we are doing well financially.

Looking forward, we have two major tournaments coming in the next two years: Provincials in 2019 and Regionals in 2020 that will highlight not only our association but the amazing sport we play.

We have made a lot of progress over the last few years that hopefully we can continue to capitalize on to become even more successful. I'd like to thank the executive for their hard work as well as all of the refs, coaches and volunteers that are so valuable and make us strong and viable.
