

**2018 WFRA AGM
HOUSE LEAGUE DIRECTOR'S YEAR END REPORT**

PRESENTED BY: Ryan & Carrie Culhane, House League Director(s)

U10 Division

The U10 Division saw two teams, Tim Horton's Ottawa and Tim Horton's Toronto having practices and games throughout the season, with the majority being games. After the holiday break, it was decided that scores and standings would be kept for the remainder of the season. Players, coaches, officials and parents all seemed to enjoy the format and the meaningful games in the second half of the season.

In the playoffs, Tim Hortons Ottawa defeated Tim Hortons Toronto.

Big thank you goes out to Head Coaches Shawnah Smales, and Meaghan Spykerman for all of their hours on and off the ice for this division.

No major problems or issues arose during the season.

U12 Division

This division had two teams competing this season. The teams were unbalanced to start the season, as CWS had trouble winning games early in the season. As a result, it was decided by the coaches and the house league director that a trade of one player, and the goalie per team be swapped (which meant that the coaches changed teams also because of the player and goaltender being children of the respective coaches). As the season progressed, CWS improved greatly, and games between the two teams were much closer.

In the playoffs, Shriners defeated CWS.

Big thank you goes out to Head Coaches Kurt Brandt, and Carrie Read for all of their hours on and off the ice for this division.

No major problems or issues arose during the season.

U16 Division

This year, due to numbers across the U14, U16, U19, and Open divisions, it was decided at the annual draft to create a new U16 age division this season, which combined those players that were of U14 and U16 age. U16 players in this
